## IRD Number and Tax Election Notification

Update your details online, 24 hours a day, 7 days a week  
[www.investorcentre.com/nz](http://www.investorcentre.com/nz)

If you are unable to update your details online, this form can be used to advise Computershare of your IRD number and Resident Withholding Tax (RWT) rate for interest payments.

Please complete the form on the reverse based on the following instructions:

### Step 1: Details of the registered holder

Please provide the following details (this information can be found on the latest Securities Transaction Statement or Remittance Advice):

- The Common Shareholder Number (CSN) or Holder Number (please note below if you do not have this).
- The full name of the registered securityholder.

**Note:** If you do not have your CSN or Holder Number you are required to provide the following forms of identification, which are to be copies certified by a Justice of the Peace or lawyer. You will also need to advise us of the companies in which you hold securities.

- Photo ID – either driving licence or passport **AND**
- Utilities bill or bank statement showing address to match address currently held at Computershare.

### Step 2: IRD number details

Complete the IRD numbers to be noted on the register. In the case of joint holders please provide each IRD number and the associated name of the holder. If your investments are held on behalf of another person, trust or entity, then provide the IRD number for that person, trust or entity. If your IRD number has not been recorded by Computershare, this may result in RWT being deducted from your interest payments at a different rate to your rate as determined by the tax rules set by the New Zealand Inland Revenue Department.

### Step 3: Elect your tax rate

Elect your tax rate to be noted on the register to be applied for all interest payments. If you are joint holders, provide the RWT rate applicable to the highest earner. If you are exempt from RWT, please attach a copy of the Certificate of Exemption (IR15C) to this form.

### Step 4: Electronic communications

The completion of this section is optional. If you wish to receive future communications by email from the companies you currently hold securities with that offer electronic communications, please enter your email address in the box provided. If you wish to receive communications by post, do not provide your email address.

### Step 5: Signature of securityholder(s)

This form should be signed by **ALL** securityholders. If signed by the securityholder's attorney, a certified copy of the power of attorney must be attached to this form unless it has previously been noted by the registry. If executed by a company, the form must be signed in accordance with the company's constitution and the Companies Act 1993.

### Step 6: Returning your form

Please return the completed form by post or scan and email to the address above.
